# 1. Statement of procedures taken to complete the Corporate Governance system during 2022, and method of implementing thereof,

Ras Al Khaimah National Insurance Company PSC (RAK Insurance or the Company) maintains a robust governance structure which is aligned to the "three lines of defense" model. It establishes a framework to embed a control culture committed to a high-level of ethical and behavioral standards in order to achieve the Company's objectives. This is supported by the Company's Corporate Governance Policy and Procedures to facilitate effective and prudent management of the Company to deliver enduring success.

During 2022, RAK Insurance focused its efforts and resources to align the Company's governance policies, procedures and practices to comply with Decision no. (3/Chairman) of 2020 issued by the Chairman of the Board of Directors of the Securities and Commodities Authority concerning Approval of Joint Stock Companies Governance Guide (the "SCA Corporate Governance Guide Decision 3/RM 2020"), and other applicable decisions and resolutions issued by regulatory authorities and international best practices.

RAK Insurance is committed to maintain the highest standards of corporate governance practices; devoting its time and effort to continuously identifying the best business practices and setting clear policies to be implemented across the Company. These practices ensure smooth, effective and transparent operations that aim to protect shareholder's rights.

The primary role of the Board of Directors (the Board) is to protect and enhance long-term stakeholder values; including shareholders and clients. The Board is responsible for setting the overall Company strategy and has oversight of executive management to ensure robust corporate governance practices are followed within the Company.

Day-to-day operations are delegated to the executive management, led by the Chief Executive Officer. The executive management team is accountable for the performance of the Company and measured against a set of corporate goals and targets. The posts of the Chairman and Chief Executive Officer of the Company are clearly distinguished between the Chairman's role to manage the Board, and the Chief Executive Officer's responsibility to manage the executive management and supervise the Company's business.

There are four established Board committees (the Audit Committee, the Nomination and Renumeration Committee, Investment Committee (Life and General) and Insider Committee). The Board delegates its power and authorities from time to time (as permitted by the laws, regulations and Company's Articles of Association) to ensure that the operational efficiency and specific issues are being handled with diligence and scrutiny. Each committee has its specific duties and authorities defined with each of its Terms of Reference duly approved by the Board.

RAK Insurance, through its robust corporate governance, provides confidence that the Company's overall business performance is properly monitored and ensures that its Directors, management and staff are acting to best serve the interests of the Company and its stakeholders.

#### 3. Board Formation

#### 3.1. Statement of the current Board formation

The individuals comprising RAK Insurance Board of Directors provide a broad range of skills, relevant industry knowledge, experience and highly professional backgrounds contributing to the diversity appropriate for the Company's circumstances.

The Board consists of 5 members including the Chairman, two non-executive / independent Directors and three non-executive/non-independent Directors. Four members of the Board are UAE Nationals.

The Board of Directors welcomed Mr. Raheel Ahmed as a replacement for Mr. Peter England to complete the term of his predecessor and this appointment was ratified at the AGM meeting held on 14<sup>th</sup> April 2022. The subsequent pages have been updated to reflect this change in the Board formation.

As per the Company's Articles of Association, the Board should hold its meetings at least four times a year and may convene for additional meetings when the need arises upon the invitation of the Chairman or the Vice-Chairman in their absence. A meeting will only be held if a quorum has been reached. The Board members elected are as detailed below.

### Audit & Risk Committee functions and duties assigned thereto

The responsibilities of the Audit & Risk Committee are in line with Article (58) and Article (60) of SCA Corporate Governance Guide Decision 3/RM 2020, and the terms of reference of the Audit & Risk Committee. The Audit & Risk Committee undertakes the following duties:

### The Financial Statements and Reporting of the Company

- Monitor and review the integrity of the Company's financial and accounting policies and procedures, including the review of significant financial reporting issues and judgements contained in the financial statements.
- Monitor the integrity of the Company's financial statements and reports (annual, semi-annual, and quarterly) and other formal announcements relating to the financial performance and review thereof as part of its normal work during the year, and the Committee shall particularly focus on the following:
  - a) The consistency of, and any changes to, accounting policies and practices, on a year on year basis;
  - b) Highlighting the aspects that are subject to the management's discretion;
  - c) Methods used to account for significant and unusual transactions;
  - d) Substantial amendments resulting from audit work;
  - e) Supposing continuity of the Company's business;

- f) Commitment to the accounting standards approved by the Authority;
- g) Commitment to the listing and disclosure rules and any other legal requirements related to preparation of financial reports; and
- h) Clarity and completeness of disclosure in financial reports.
- Coordinate with the Company's Board of Directors, Senior Executive Management, and the financial manager or the manager doing such role in the Company, for the purpose of performing its duties;
- Consider important and unusual disclosures that are or shall be mentioned in such reports and accounts, the committee shall also pay the required attention to any issues brought up by the financial manager, the manager doing such role, compliance officer, or the auditor;
- Review, and challenge where necessary, the actions, estimates and judgements of management (and any changes in them), in relation to the interim and annual financial statements before submission to the Board, paying particular attention to:
  - disclosures and estimates requiring a major element of judgement;
  - the extent to which the financial statements are affected by any unusual transactions in the year, the methods used to account for any significant or unusual transactions where different approaches are possible, and how such transactions are disclosed;
  - the clarity and completeness of disclosures, and the context within which financial statements are made;
  - compliance with accounting standards;
  - compliance with legal and regulatory requirements;
  - the going concern assumption;
  - the representation letter to the auditors; and
  - all material information presented with the financial statements including the business review, and corporate governance statements relating to the audit and risk management.
- Wherever practicable, the Committee should review other statements containing financial information (which require Board approval, in advance of their consideration by the Board, subject always to not being inconsistent with the obligation to comply with prompt reporting obligations);
- Review any significant adjustments to financial reporting resulting from the audit, and resolve any disagreements between management and the external auditors regarding financial reporting;
- Review the content of the annual report and accounts and advise the Board on whether, taken as a
  whole, it is fair, balanced and understandable and provides the information necessary for shareholders
  to assess the company's performance, business model and strategy. The review undertaken by the
  Committee should assess whether the narrative is consistent with the accounting information;
- Submit reports and recommendations to the Board of Directors concerning the above-mentioned responsibilities; and consider any other issues determined by the Board of Directors.

#### Whistleblowing arrangements

- Setting the rules that enable the Company's staff to confidentially report any potential violations in financial reports, internal control, or any other issues and the procedures sufficient for conducting independent and fair investigations concerning such violations;
- Review arrangements by which staff may, in confidence, raise concerns about possible improprieties in matters of financial reporting or other matters including consideration of the procedures for:
  - The reception, retention and treatment of complaints regarding accounting, internal accounting controls or audit matters; and
  - The confidential submission by employees of the Company (which may be anonymous) of concerns on any matter, including those regarding questionable accounting or audit matters;

• Submit reports and recommendations to the Board of Directors concerning the above-mentioned responsibilities; and consider any other issues determined by the Board of Directors.

#### Internal Controls and the Risk Management Framework

#### **Internal Controls:**

- Review management's reports on the effectiveness of systems for internal control and financial reporting to cover:
  - Critical control issues that have an impact on financial reporting;
  - Procedures for detecting financial reporting fraud; and
  - Consider the major findings of any relevant internal investigations into control weaknesses, fraud or misconduct and management's response (in the absence of management where appropriate).

#### The Risk Management Framework:

- Review reports of the management and the Chief Risk & Compliance Officer on the effectiveness of systems for risk management covering:
  - Its linkage to the Risk Management Strategy;
  - The robustness of the firm's risk management policies and processes and their fitness for purpose when tested against the Board's Enterprise Risk Management (ERM) strategy; and
  - The setting and changes in risk appetite.

#### **Code of Ethics and Conduct**

- Monitor the extent to which the Company complies with the Code of Ethics and Conduct which covers:
  - Reviews of Related Party Transactions with the Company, managing conflict of interests, and submitting recommendations concerning such transactions to the Board of Directors before concluding the contracts; and
  - Ensuring implementation of the Code of Ethics and Conduct related to the Committee's duties and powers assigned to it by the Board of Directors.

#### Others

- Submit reports and recommendations to the Board of Directors concerning the above-mentioned responsibilities; and
- Consider any other issues determined by the Board of Directors covering service quality and risk
  management, regulatory compliance, business resilience, contentious matters and other ad hoc reports
  covering such other matters relating to risk management and internal control as the Board may request
  from time to time.

#### **Internal Audit/Internal Control**

- Ensure availability of the resources required for the Internal Audit/ Internal Control function, review and monitor the effectiveness of such function;
- Review and approve the Internal Audit/ Internal Control annual plan and ensure that the function is adequately resourced, has appropriate access to information, adequate standing within the Company and is free from management and other restrictions;
- Review Internal Audit / Internal Control reports on the effectiveness of internal control systems on a regular basis and follow up the implementation of corrective measures from the comments arising from such reports;

- Monitor and review the effectiveness of the Internal Audit/ Internal Control function in the context of the overall risk management system;
- Consider the appointment, resignation or removal of the Internal Audit/ Internal Control;
- Review and report on the results of the Internal Audit/ Internal Control work on a periodic basis and in particular consider the major findings of any significant internal control escalated to the Committee and consider management's response to Internal Audit/ Internal Control recommendations;
- Review and monitor management's responsiveness to the audit findings and recommendations of Internal Audit/ Internal Control;
- Review and approve the Internal Audit Charter;
- Approve the Internal Audit/ Internal Control annual budget;
- Discuss the internal control system with the Board of Directors and ensuring the latter's establishment of an effective system for internal control;

### 13. Internal Control System

**The Internal Control System** of the Company is developed with a disciplined approach and designed to ensure integrity, ethical values and competence of its people and respond to changes in regulatory requirements as well as the market. It is based on the "three lines of defense" model where the second line contains the key control functions, Risk & Compliance, Finance and Legal. The second line provides oversight of material risks and is tasked with maintaining a robust control environment, including ensuring compliance and the reliability of financial and non-financial information.

**Risk Based Approach:** A detailed risk assessment methodology has been established as part of the risk management strategy which is set out in the Risk Management Strategy and Framework Document to assess the Internal Control environment of the Company and its business activities. Aligned to the organisational risk management processes, this methodology enables Risk & Compliance to be strategically and operationally aligned with the risks facing the organisation.

**The Control Environment** is driven by the "tone from the top" established by the Board and senior management which reflects the importance of integrity and ethical values and a commitment to reliable reporting. This is implemented through several policies such as the enforcement of the Company's Code of Ethics and Conduct which every employee is expected to adhere to. It reflects the Company's ethics and compliance standards and provides the Company with clarity and consistency that address specific requirements and laws.

There are also several operational policies such as the Credit Control policy and IT policy to strengthen governance and controls around these processes. Risk policies for all material risks are also in place. There are a number of control activities the Company performs such as segregation of duties and accountability and ownership of risks. For example, all significant approvals are required to adhere to the Delegation Authority Matrix. In addition, the Company is also working towards the ISO 27001 Standard accreditation to increase the robustness of its data and security framework.

# Acknowledgement by the Board of its responsibility for the Company's Internal Control System, review of its work mechanism and ensuring its effectiveness.

In response to the requirement of Article 8 of the Ministerial Resolution No. 518 of 2009, Internal Control, The Compliance and Internal Control/Audit function of the Company was established in 2010. The provisions pertaining to Article 68 of the SCA Corporate Governance Guide Decision 3/RM 2020 are also complied with. The Board of Directors acknowledges its responsibility for the application, review and efficiency of RAK Insurance's internal control system. The Board Audit & Risk Committee in conjunction with the Chief Risk and Compliance Officer and the Chief Internal Auditor ensure the adequacy of the internal control framework within the Company.

### Name of the Compliance Officer, his qualifications and date of appointment.

Mr. Rajesh Thaper, the Chief Risk and Compliance Officer was appointed on 22<sup>nd</sup> March 2020. Rajesh holds a BSc (Eng) Degree in Engineering and Management from King's College London. He started his career with the UK financial regulators (the PRA), and then moved into consultancy with the big four firms

and then into industry in the UK, Europe, and Middle East with 20 year's risk and compliance experience.

### Name of the Chief Internal Auditor, her qualifications and date of appointment.

Ms. Nicola Thompson, the Group Chief Audit Officer (GCAO) was appointed by the Audit and Risk Committee of the Board of Directors on 10<sup>th</sup> June 2019. Ms. Thompson is a certified internal audit professional with over 20 years of internal audit, governance and risk management experience across regional and international markets. Ms. Thompson leads a team of dedicated, qualified internal audit staff members with significant regional and international financial services experience.

# How the Internal Control Department dealt with any major problems at the company, or those that were disclosed in the annual reports and accounts.

**The Risk Function:** The Internal Control Department/Function is the second line of defense which includes Risk & Compliance, Finance and Legal. One of key objectives of the Risk & Compliance Function is to implement, embed and maintain robust risk governance and controls. This includes performing regular reviews of top risks and reporting to the Audit Committee and the Board. Risks are reported in The Risk Dashboard which contain all top risks and mitigating actions with a risk scoring (probability and impact scores) to determine the severity of the risks. In addition, any emerging risks are also reported and monitored closely. The risk framework is currently being refreshed to strengthen the governance and control environment.

**Internal Audit:** Internal audits and control effectiveness reviews are conducted throughout the year as per the Audit Plan approved by the Audit and Risk Committee. Key audit observations are captured in audit reports that are issued periodically. These reports are presented to the Audit and Risk Committee on a quarterly basis and summarise audit observations and opportunities for process and control improvement, implications from a risk perspective as well as management responses and action plans.

All audit observations are logged and tracked via the Internal Audit system to completion. Regular follow-up is done with Management to ensure that remedial actions are completed and open risks identified by Internal Audit are adequately mitigated. Long outstanding audit observations are reported to the Audit and Risk Committee.

**Whistleblowing:** A whistleblowing policy is designed as a control to help safeguard the integrity of RAK Insurance financial reporting, its business dealings and to support adherence with its code of conduct. Protocols by which staff may, in confidence, raise concerns about possible improprieties in matters of financial reporting, business conduct or relevant matters are defined within the policy, including procedures for the following:

- The receipt, retention and treatment of complaints received by the Company regarding accounting, internal accounting controls or auditing matters; and
- The confidential submission by employees of the Company (which may be anonymous) of concerns on any matter, including those regarding questionable accounting or auditing matters.

**Investigations and Resolution:** All whistleblower cases will be recorded, reviewed and investigated under the direction of the GCAO who evaluates the complaint in accordance with the policy and reports findings to Audit Committee as appropriate.

Continuing our journey on transformation and process improvements initiatives, Year 2022 also witnessed great momentum in digital transformation and innovation. Among various initiatives, continuous improvement of our core system to improve efficiency and developing products & portal for our partners to empower them with an end-to-end solution to sell retail products were on top of the list.

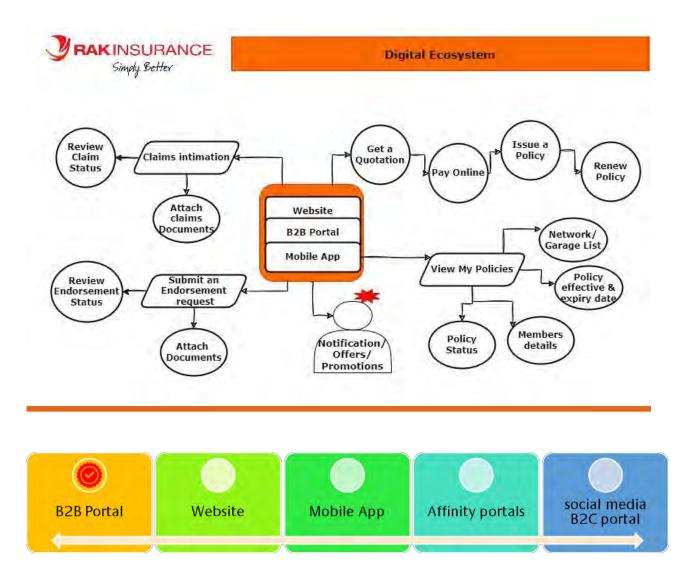

DIGITAL PORTAL FOR SALES & DISTRIBUTION: Our digital portal referred as "Vinyl plus" has empowered our sales partners to perform end to end process of generating a quotation, making online payment, and issuing an insurance policy within 2-3 minutes of turnaround time. Each product journey is specifically designed with minimal underwriting questions to reduce turnaround time and competitive pricing for better conversions of sales enquiries. Platform is equipped with document upload and KYC functionality in compliance to UAE central bank regulations. Additionally, we are using AI powered Optical character Recognition

(OCR) to detect and scan cards (Emirates ID, Mulkiya, etc.,) thus reducing the data entry time while on-boarding a customer. Vinyl Plus current offers pre underwritten products for;

- Motor insurance
- o Travel insurance
- o Individual life insurance
- Quotation for Medical insurance. Policy issuance is currently in progress and would be launched in February 2023.

### Our digital ecosystem:

✓ SME PORTAL: SME pre-underwritten products for general and life insurance are under review. SME Products would include Property insurance, public liability, Engineering, Group life and workmen Compensation, Marine cargo.

- ✓ AUTOMATION OF COI (Certificate of Insurance): Automation of Certificate of insurance for Credit life (conventional and Islamic) to save time and efforts was successfully implemented. The benefits are multi fold as it enables the user to generate and send multiple certificates in an approved format with a single click. Customer satisfaction is also a key achievement in this automation by eliminating any typo errors causing inconvenience to the customer.
- ✓ ONLINE COMPLAINTS/FEEDBACK OPTION RINGFENCED TO CUSTOMER SERVICES TEAM: An option was developed for our customers to submit their complaints of feedback online by visiting our website to ensure swift response from our customer services team. Online feedback/complaints workflow is developed with suitable options, enabling our customer services team to resolve any issues/complaints real-time and in adherence to UAECB regulations.
- ✓ BUSINESS DASHBOARD: Deployment of MIS software to create business dashboard to monitor business performance at various level (overall performance, at Business, at each line of business or product level). Business use this tool evaluate customer profile for last 5 years loss ratio across all line of business to make an informed decision while offering renewal quotations to customers. Other real-time dashboard includes Broker dashboards, Renewal pipeline and many others.
- ✓ Other ongoing initiatives include.
  - GO DIGITAL GO GREEN, hashtag #Lets press for paperless, aimed to reduce printing paper and support digital solution.
